Mr. Morgado reported that issues still remained outstanding with Town Counsel relative to the new WMI contract. He asked that the Board sign the agreement as the deadline of June 1<sup>st</sup> was approaching and that the chances of working out the legal issues identified within this short time period was bleak. Members of the Board expressed concern over the status of the contract review. After discussion the Board decided it would meet in executive session to call Town Counsel to speak with him over his take on the status of these negotiations for a successor WMI contract.

The Board went into executive session at 6:40pm and adjourned for the night at 7:10pm.

Respectfully submitted

Daniel J. Morgado  
Town Manager
